

TWO MEN ARRESTED MONDAY STILL HELD

Sample St. Incident Preceded
by Street Car Collision at
Washington and Main Sts.

Dan Beneth and Frank Myers of Michigan, held by the local police department in connection with crimes committed in several southern Michigan towns, are still lodged in the county jail.

The two men are accused by Charles and Harold Lambert, 730 E. Sample st., to have entered their confectionery store Monday and started a fight over the non-payment of some articles of food. They were in an automobile loaded with several suits of new clothing and the machine bore a Michigan license.

The clothing is supposed to have been taken from stores in cities through which the men passed on their way to South Bend. Their machine bears a Michigan license and it is also supposed by the police that it was stolen.

Monday afternoon, while making a turn at Washington and Main sts., their auto is said to have collided with a street car. The machine taken Monday night when they were arrested has been identified by the traffic officer as the one which hit the street car. Neither of the men was hurt.

BEECH TREE COURT OBSERVES ANNIVERSARY

Banquet and Program Provide Entertainment for Members on
Lodge's Birthday.

With a banquet and several interesting talks the members of Beech Tree court No. 211, Tribe of Ben Hur, entertained members and friends in celebration of its 14th anniversary Tuesday evening. The principal talks of the evening were given by William Steel of Cranford, N. J., supreme organizer, Rev. Victor von Kubinyi, rector of Trinity Episcopal mission of South Bend, and Chief Horn of Elk-hart No. 72. The address of welcome was given by Chief J. M. MacCordie. Other delightful features were a piano solo by Grenville Tompsett; vocal solo by W. Erhart and songs by the Lyric quartet.

The banquet table arranged in the form of a hollow square, was beautifully decorated with garden flowers and pyramids of fruit. The place cards bore the lodge emblem, the seven pointed star, in the club colors. Above the table was a canopy in the colors of the order, red, yellow and black. Covers were placed for 250. Music was also furnished by the Housekeeper orchestra.

BAPTIST CHURCH ELECTS OFFICERS FOR THE YEAR

Financial Reports Show Flourishing
Condition—Rev. C. A. Decker
Begins Fifth Year.

Rev. C. A. Decker and S. G. Chard were elected moderator and vice moderator respectively at a meeting of the congregation of the First Baptist church Tuesday evening when reports of the year's business were submitted and plans for next year outlined. DETECTIVES SAVE HOME FROM PROBABLE THIEVES

Gulfoyle Residence, Studied by Men
Thought to be Burglars, is
Watched by Policemen.

That thieves are still active in the city and that the police are becoming "wiser up" to their identity, is proven, according to Chief Kuespert, by the fact that the residence of D. L. Gulfoyle, 630 W. LaSalle av., was saved from a probable robbery by Detective Delinski and Shirk Tuesday night.

Mrs. Gulfoyle reported to the police department Tuesday evening that the house was being watched by two men, both of rough appearance. For a time there was but one man, but he was soon joined by another and both walked about the house, as if to study a means of and to learn the location of the various rooms.

Delinski and Shirk were sent out that night to watch the place and reported that no more had been made against it, although two men who answered the description given by Mrs. Gulfoyle were seen as the detectives approached the house.

Tells How He Did It.

A western politician, well known on account of his baldness and ready wit, surprised his friends by appearing with a heavy growth of hair; many of his old friends did not know him and others thought he had a wig. On being asked how he did it, he made the following statement: "I attribute the remarkable growth of my hair to the use of the following simple recipe which any lady or gentleman can mix at home: To a half pint of water add 1 oz. of bay rum, a small box of Barbo Compound and 1/4 oz. of glycerine. Apply to the scalp two or three times a week with the finger tips. It not only promotes the growth of the hair but removes dandruff, scalp humors and prevents the hair from falling out. It darkens streaked, faded, gray hair and makes the hair soft and glossy. These ingredients can be purchased at any drug store at very little cost and mixed at home."

Owes Her Life to This Lung Medicine

Sufferers from Consumption should take the trouble to investigate what Eckman's Alterative has accomplished in restoring others to health. Read this:—

"Gentlemen:—About Sept. 10th, 1908, my mother-in-law was taken sick with Catarrhal Pneumonia, which developed into Tuberculosis. In January, when Rev. Wm. Berg, of St. Michael's Church, at Schererville, Ind., prepared her for death, he recommended that I get Eckman's Alterative, and see if it would not give her some relief. The attending physician declared she had Consumption and was beyond all medical aid. Practically without hope for recovery, I insisted that she try the Alterative, which she did. I am glad to say that she soon began to improve. Now she works as hard as ever, weighs twenty pounds heavier than she ever did before she took sick and is in good health."
